Excellent Opportunities for Youngsters in Blessed Ramadhan

Salaam dear young friends and welcome to our weekly chat. We do not know whether to congratulate you youngsters on the threshold of the blessed month of Ramadhan, or to condole you on the martyrdom of fellow Muslims in the usurped land of Palestine by the child-killing illegal Zionist entity.

The criminal Israelis are even targeting toddlers with guns, bombs and heavy artillery because of the public protests of the Palestinian people against the latest crime of the roguish US president, Donald Trump, in relocating the American embassy to the Zionist-occupied Islamic holy city of Bayt al-Moqaddas.

This means that while fasting in Ramadhan and partaking of the spiritual delights of this month, our thoughts will be with the oppressed people of Palestine, whose blood the vampire Netanyahu loves to drink.

May God damn him and that other dirty criminal Trump! Amen

In this month of the Divine Banquet spread out for the believers, it is your youthful endeavours and acts of worship, including social activities, which are not just crucial for self-reform and the firming of faith, but provide solace to those in constant trouble, such as the Palestinian teenagers, who pray, fast and read the holy Qur'an, under constant fears of aerial bombing or barrage of artillery shells.

Social media is one of the fastest and most efficient ways today to raise awareness about any topic. This means we are not living in isolation, and are well aware of the famous saying of Prophet Muhammad (SAWA):

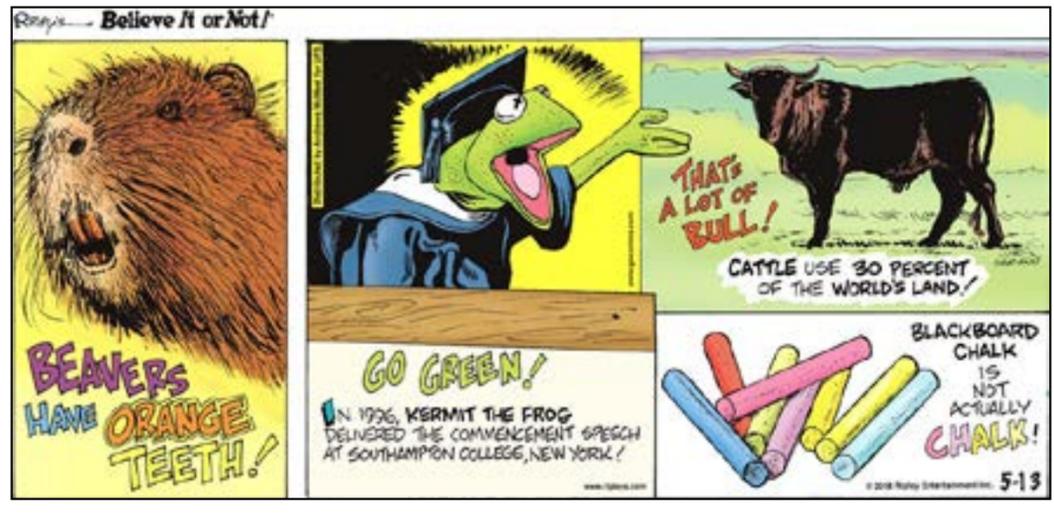

One who is negligent of the situation of Muslims, cannot be called a Muslim.

Therefore, dear friends, post relevant articles and updates about your Ramadhan preparations, because you never know who your one simple post can inspire.

This is the reason, Islam insists on collective forms of worship, such as the daily congregational prayers. Ramadhan provides the finest opportunity for the believers to get together to supplicate in the Divine Court and to recite the holy Qur'an in gatherings, with an aim to understand the meanings of the Revealed Words of God, for the betterment of the self and the society.

The exuberance of youth is indeed a great blessing. So dear youngsters make full use of the blessed month of fasting to improve your faculties – of the heart, of the mind, of the soul, of the entire body, and of your innate nature to develop yourselves and to help your families, friends, communities, countries, the Ummah and all humanity to achieve peace, progress and prosperity.

God bless you and goodbye until we meet again next week.

The Hunter and the Woodman

A hunter, not very bold, was searching for the tracks of a Lion. He asked a man felling oaks in the forest if he had seen any marks of his footsteps or knew where his lair was.

“I will,” said the man, “At once show you the lion itself.”

The hunter, turning very pale and chattering with his teeth from fear, replied, “No, thank you. I did not ask that; it is his track only I am in search of, not the Lion himself.”

MORAL: “The hero is brave in deeds as well as words”
